

2011-12 Edina High School Marching Band Tour Proposal

Next year the Edina Hornet Marching Band has a truly exciting opportunity for a performance tour:

Tour with the Edina Hornet Marching Band to: New York City

This 5-day New York City tour package is \$1290.00, and the tour dates are from Tuesday evening, November 8, to Sunday November 13. The PowerPoint slide show from the April 14th tour meeting may be viewed on the www.edinabands.com website. A tentative itinerary may be viewed at www.simoneducationaltours.com. The tour package would include all transportation, accommodations, admission for activities, performance opportunities, and all meals.

We would love to see every student participate and the boosters will help in a variety of ways to help financially make this trip possible. While our normal fundraisers occur during a time of the year *after* all the payments are due, we are working to find a way to apply monies earned through fundraising to the cost of the trip.

Process:

1. Parents and students should discuss this tour proposal, and **everyone, regardless of their plans to participate**, should **return the bottom of this form by Monday, April 18th**, to Mr. Richter or Mr. Kile.
2. Pending enough participants, which will be announced in class on Monday, April 18th, an **initial tour deposit of \$250** (made payable to The EHS Band Boosters) should return by **Tuesday, April 26th**:

If you have further questions please feel free to contact us. We look forward to an exciting year and a fabulous tour!

Sincerely,

Andy Richter and Paul Kile
