

# BAND BOOSTERS

EDINA HIGH SCHOOL 6754 VALLEY VIEW ROAD EDINA MN 55439

## SUPPORT OUR BANDS!

The primary function of the Boosters is to support the students in any and every way necessary towards the goal of a full, rewarding, and enriching musical education experience above and beyond the classroom level.

To that end, the Boosters have aided the students and staff with concerts, providing the necessary publicity, programs, costumes, etc. to make dreams become realities for the young performers. We are fortunate to have a band program which is continually rated best in the state. We are grateful for your support since your commitment will help ensure the continuation of this most worthwhile program. Please consider making a donation to the boosters—here are some of the ways your support can help:

- Concert performance support: publicity, programs, choreography, costumes, music and technical support
- Guest conductor visits and instrument master classes
- Student social events, concert expenses, printed music
- Offset cost for equipment repair and purchase of instruments
- Senior recognition and student awards
- Financial assistance for performing tours

## BACK PAGE STORY HEADLINE

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those

here. You may want to refer your readers to any other forms of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
