

Dear Concert Band,

It is with great excitement that I write to you to inform you of two very important dates.

CONCERT BAND TOUR RELEASE MEETING
THURSDAY, AUGUST 14 7:00 pm

I apologize that the announcement of this date is coming to you VERY abruptly as it was originally scheduled to be Sept. 2, but due to the nature of the travel industry, we have to move very quickly on securing participation for this year's Concert Band International Band tour. Please have at least one member of your family attend to learn information regarding this year's tour destination, cost, and all other necessary details. The Tour Release meeting should only last 30-45 minutes.

EDINA CONCERT BAND APPEARANCE AT THE
MINNESOTA MUSIC EDUCATORS ASSOCIATION CONFERENCE
FRIDAY, FEBRUARY 13, 2015 9:15 am

CONGRATULATIONS!!! You (the Edina Concert Band) have been selected to play at the State's Annual Minnesota Music Educators Conference! While the recording of last year's Concert Band got us in to this prestigious event, you should feel very honored and proud (and a little scared) that you will have the opportunity to represent your school and community by presenting a full concert in front of the entire state music educator population!

More details to follow, but reserve the date and invite your friends and family! This will be a stunning and honorary experience! Congratulations again!

We are in for an absolutely *AMAZING* year and I can't wait to begin working with you! Practice, practice, practice, so we can hit the ground running when we start school in just a few short weeks.

With Deep Admiration,
Mr. Kile
