HOMECOMING PARADE SUPPER
Friday, September 12

Orders due by Friday, September 5

EHS band students may purchase a meal that will be served at the Community Center at 5:45 p.m. following the Homecoming Parade and pregame rehearsal. Each meal will consist of a turkey sub sandwich, a drink, chips, and a cookie. The price is \$6 per meal. You may order as many meals as you wish. Vegetarian sandwiches are available, but you must indicate this preference at the time you send in your order.

ORDERS MUST BE RECEIVED IN THE BAND ROOM BY FRIDAY, SEPTEMBER 5. To order, send a check payable to EHS Band Boosters to the band room along with student's name on the check. Place the check in an envelope with the student's name on the outside and the number of meals ordered.

If you choose not to order a meal, please bring a bag lunch and beverage to eat right after the parade. There will not be any time between the parade and the game for you to go get something to eat, nor will you be able to leave the football game to buy food. Due to problems in the past, students may not have pizza delivered.
