

***EHS BAND***  
***Holiday Products Fundraiser 2016***  
***Deadline for all orders: Monday, October 24***  
(Keep this sheet for your records)

The Holiday Products sale begins September 27, 2016. Return your order forms and checks to the band office on or before Monday, October 24. This is a great opportunity to earn money for your student tour account and also raise money for the EHS Band Booster organization. For those not going on tour this year, student credits earned can either be carried over to future tours or donated to the general band fund.

**It is EASY to sell wreaths and poinsettias!** Many of your neighbors and family want to purchase these items for the Holiday season; they would love to order them from you and support the band! However, other organizations are also selling holiday products, so you are competing for those orders. Get out early and beat the crowd! Remember to thank your customers for supporting the Edina High School Bands!

We are using the same nursery as we used last year for both poinsettias and greenery. The same product selection is being offered as it was well received by customers last year.

There is one order sheet for Greenery, and one order sheet for Poinsettias. There is also a brochure with details and pictures of the products for sale. **Collect payment when you take an order.** Be sure to double-check your orders and total dollars collected before you submit your orders. When you pick up your items, your order sheets will be returned to you for your deliveries.

***Checks payable to: EHS Band Boosters – NO CASH, PLEASE.***

The pick-up will be on Wednesday, NOVEMBER 30. Due to construction at the high school, we are still in the process of confirming the location and timing to pick-up your orders. That information will be communicated closer to the November 30<sup>th</sup>. All students are responsible for pick-up and delivery to their customers. Plan to make your deliveries that day, ***since Poinsettias are cold sensitive and should be delivered ASAP or stored inside your home (not garage or your car)!***
