

2013 POPS CONCERT
Concert Band Parent Volunteers

For Pops to be a success, we need your help. It takes at least 38 volunteers to support each Pops performance and at least 27 volunteers before the first note is played.

You can help in one of the following ways:

- All Concert Band families should have received an email invitation to SignUp Genius. This is a great way to see where and when help is most needed. If you haven't received an invitation, email Martha Lundquist at marlundquist@edina.k12.mn.us and she will see that you get one.
- You can also call or email any of the committee chairs listed below and see where they need help.
