

EHS BAND
Holiday Products Fundraiser 2015
FINAL Deadline for all orders is Friday, October 30
(Keep this sheet for your records)

The Holiday Products sale begins October 7, 2015. Return your order forms and checks to the band office on or before Friday, October 30. This is a great opportunity to earn money for your student tour account and also raise money for the EHS Band Booster organization. ***Since this fundraiser occurs after the final tour payment has been made, student credits earned can either be carried over to future tours, reimbursed to you by check in January, or donated to the general band fund (usually seniors). Reimbursement only applies to students who have paid for this year's tour.***

It is EASY to sell wreaths and poinsettias! Many of your neighbors and family want to purchase these items for the Holiday season: they would love to order them from you and support the band! But, other organizations are also selling holiday products, so you are competing for those orders. Get out early and beat the crowd! Remember to thank your customers for supporting the Edina High School Bands!

For those who have sold holiday products with the band in previous years, we are using a new supplier this year for both greenery and poinsettias. As a result, **we have a few changes to the products being offered.** The most popular products from previous years are included with a few that we think will become new favorites!

There is one order sheet for Greenery, and one order sheet for Poinsettias. There is also a brochure with details and pictures of the products for sale. **Collect money when you take an order.** Be sure to double-check your orders and total dollars collected before you submit your orders. When you pick up your items, your order sheets will be returned to you for your deliveries.

Checks payable to: EHS Band Boosters - No cash please.

The pick-up will be on Wednesday, DECEMBER 2 FROM 4:00 PM UNTIL 7:00 PM at the Loading Dock area at Edina High School. Students are encouraged to stay after school to help unload the trucks and organize the products, and can then take their orders home without having to make another trip. All students are responsible for pick-up and delivery to their customers. Plan to make your deliveries that day, **since Poinsettias are cold sensitive and should be delivered ASAP or stored inside your home (not garage or your car)!**

The product prices and student credits are listed below for your reference:
