

# Florida Trip Rehearsal Schedule

The EHMB will perform 4 times on this trip with a possibility of performing a 5th time if we get selected to perform our show for pre-game during the Outback Bowl. With that, we need to stay in shape and continue to improve so we can represent Edina and Minnesota with excellence and class. The following rehearsal and performance schedule is required of all trip participants. Communicate to Mr. Richter ASAP with any pre-existing conflicts that cannot be reconciled. Communicate to employers that you are unavailable to work on these dates.
