

67th Annual Pops: Roaring 20s

Did You Know...

It takes at least 32 volunteers per night (that's 160 volunteers!) to support each of the 5 Pops performances:

4 - Ticket Sales
8 - Ushers
6 – Concessions

6 – Flower and Balloon Sales
2 - Dressing Room Supervision
6 – Host and Chaperone After-Show Party

And it takes at least another 23 volunteers before the first note is played: program advertising, flower and balloon sales chairs, Pops Parties chair, costume assistants, display case, silent auction chairs, program layout, senior biographies, student messages, senior biographies, senior slide show, stage work, publicity chairs, ticket sales chair, ushers chair, and yard signs.

Add it all up and that's roughly 180 opportunities for you to get involved and play your part in contributing to the success of this year's Pops. Some have already volunteered to help, but there is room (and need!) for many more.

Look for the Pops Sign Up Genius in the Band-o-Gram in late January OR contact any of the committee chairs below to see where you can help. There's something for everyone!
