

Edina High School Band Lettering Application

(Accepted annually on or before May 11)

rev. 9/19)

All Edina Band members have the opportunity to earn a letter through participation in activities beyond the required course expectations. Lettering sheets are collected once annually on or before May 11th. Student points start accumulating in the fall of their freshman year in band and can accumulate from year to year. Proper supportive material should be attached to this form. Proper verification signatures (i.e. private lesson teachers, parents) should be in right hand column. **2500 points** are needed to earn a band letter award. For the first letter earned, students receive an Edina chenille letter and for subsequent letter awards, students will receive a certificate.
